SUMMARY

Seeking a challenging role in computer engineering, leveraging proficiency in the Full-Stack Web Developer to contribute innovative solutions and enhance software development processes.

INTERNSHIP

UI-UX DESIGNER | Kintu Designs Pvt. Ltd.

- Making a Mobile Application UI Design and BUTLER CLOSET website is converted to Mobile Application UI Design.

PROJECTS

STUDYNOTION

📅 SEM-6

- StudyNotion: Ed-tech platform for creating, consuming, and rating educational content. Prioritizes immersive learning, accessibility, and engagement for students. Showcases instructor expertise, emphasizing seamless interactivity for an enhanced learning journey.
- Technology used : HTML ,CSS ,Reactjs.,MongoDB, Expressjs, Nodejs.

CRYPTO TRACKER

📅 SEM-5

- CryptoTracker is a website that displays the real-time value of the top 100 Cryptocurrency along with their price, price change percentage, market cap value. It also allows the user the search for a particular Coin. We will be using React in this project along with the CoinGecko API.
- Technology used : HTML ,CSS ,React js., CoinGecko API.

TEACHVIEW - APP

📅 SEM-4

- TeachView, is based on the activity status of any professor. This project will include the location of the professor so that a student can approach the professor in their free time. Through this project the time of both, the student and the professor will be saved. This project will show the free slots of any professor a student wants to know. This project will also show vacant class and lab a student can access them.
- Technology used : XML , Java , Firebase

ACHIEVEMENTS

- Participating in Coder's Arcade 1.0 Competitive Programin
- Participated in University Level Coding Contest Called "PING DATA STRUCTURE"
- Participated in University Level Coding Contest Called "CODEPIE 3.0"

EDUCATION

Bachelor's In Computer Engineering

Devang Patel Institute of Advance Technology and Research

📅 2021 - 2025 | CGPA : 8.99/10

Class XII

Ashadeep Uchtar Madhyamik Shala-Surat

📅 May 2021 | 82.30%

Class X

Sadbhavna Sankul - Surat

📅 March 2019 | 87.00%

SKILLS

C/C++

HTML

CSS

JavaScript

ReactJs.

NodeJs.

ExpressJs.

MongoDB.

SQL

OOPS

DSA

DBMS

OS.

VS Code
